## Staying Connected To God

When God wanted to create fish, He spoke to the sea: "Let the waters abound with an abundance of living creatures" (Genesis 1:20).

When God wanted to create trees, He spoke to the earth: "Let the earth bring forth grass, the herb that yields seed, and the fruit tree that yields fruit according to its kind" (Genesis 1:11).

But when God wanted to create man, He turned to Himself: "Let us make man in our image, according to our likeness" (Genesis 1:26).

If you take a fish out of water, it will die.

When you remove a tree from soil, it will also die.

When man is disconnected from God, he dies.

God is our natural environment. We were created to live in His presence. We have to stay connected to Him because it is only in Him that life exists.

Let us stay connected to God! - Jovonne Perrin (via Facebook)

Worship service will be live streamed live every Sunday morning at 10:30 on <https://www.facebook.com/Columbianachurchofchrist/> and on the website [www.columbianachurchofchrist.org](http://www.columbianachurchofchrist.org).
