When a flashlight grows dim or quits working, you don't throw it away. You change the batteries.

When people mess up and find themselves in a dark place, do you cast them aside? Of course not! You help them change their batteries! Some need AA batteries: attention and affection.

Some need AAA batteries: attention, affection, and acceptance. Others need a C battery: compassion. Still others need a D battery: direction.

And if they still don't seem to shine, simply sit with them quietly and share your light.

Worship service will be live streamed live every Sunday morning at 10:30 on <https://www.facebook.com/Columbianachurchofchrist/> and on the website www.columbianachurchofchrist.org.
