## *Im Busy!*

You know the type: that person who seems to always be busy, constantly running from here to there and from there to here, making tons of stops along the way. You see them at work, at soccer games and at the grocery store. You know the kind of person I'm talking about. Is it you? Are you the one who is just too busy for your own good? I'm all for getting things done, but there has to be balance in life. Even Jesus took time out to rest! I hope you see today as a gift. Even more, I hope you see today as your gift to your family. Instead of staying so busy, can you find some time today to be at rest with your family?
